

Primary 1 Social Studies Curriculum Information

2023

Social Studies seeks to create unforgettable and engaging learning experiences with rich resources to help students make meaning in their lives as children, Singaporeans, members of society and the World.

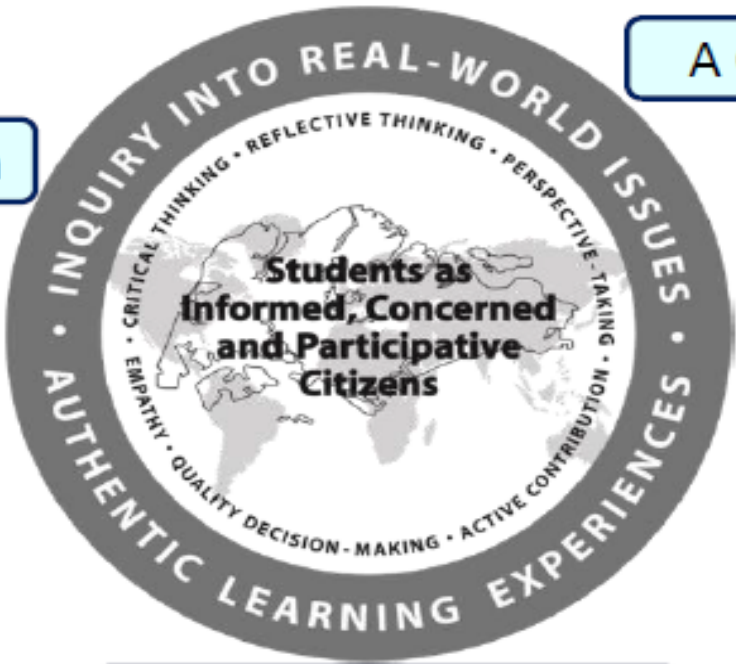

Social Studies seeks to:

- inculcate in students a **deeper understanding of the values** that define the Singapore society;
- **nurture dispositions** that will inspire students to show concern for the society and the world in which they live; and
- demonstrate **empathy** in their relationships with others

Inclusion of inquiry hotspots

- Teachers will monitor and understand students' learning progress through teaching and learning in the classrooms.
- Non-weighted assessments will be used to support students' learning, gauge their learning progress, and address learning gaps.
- Written tasks and oral presentations are some of the ways to serve as checkpoints to allow teachers to gather information about students' learning.
- We will use qualitative descriptors to report students' learning progress in the report book (Holistic Development Profile).
