# Home-School Partnership

## ***Parental Support***

*Cultivate the love  
for reading*

Promote  
and  
encourage  
extensive  
reading.

Why is  
reading so  
important?

- Reading will make a big difference to educational performance.
- Reading can develop a broader vocabulary, widen their general knowledge and have a better grasp of the language.

# *Cultivate the love for reading by*

...

- **Reading aloud to your child** - talk about the words and pictures, share ideas about the book; 
- **Reading yourself** – children who see adults reading and enjoying it, are more likely to want to read themselves;
- **Surrounding your child with books** – you do not need hundreds of books at home, but go to the library or bookshop regularly to borrow books, spend time together, browse and make choices. In this way, reading becomes a habit.

# Role Modelling

- Children who have *good, strong* models to follow are more likely to speak better and write better.
- You can role model by speaking and practising *positive* communication skills.

# Parental Support

- Work with the school to develop **dispositions for lifelong learning.**
- Foster the **Joy of Learning** and help our students **Learn for Life.**

## Promote the Joy of Learning

- not over-emphasising academic performance
- focussing on your child's learning journey, rather than compare them to others
