

Primary 3 Social Studies

Curriculum Information

2022

Social Studies seeks to create unforgettable and engaging learning experiences with rich resources to help students make meaning in their lives as children, Singaporeans, members of society and the World.

Social Studies seeks to:

inculcate in students a deeper understanding of the values that define the Singapore society

nurture dispositions that will inspire students to show concern for the society and the world in which they live

help students demonstrate empathy in their relationships with others

Social Studies Curriculum

A Concerned Citizen

Someone who:

- Has a sense of belonging to his/her community and nation.

An Informed Citizen

Someone who:

- Understands national and global issues through multiple perspectives.

A Participative Citizen

Someone who:

- Is empowered to take personal and collective responsibility, and serves to make a positive difference to others.

- Use of Inquiry Focus Questions and Guiding Questions
 - P3 Inquiry Focus: What is Singapore's environment like and how do we overcome the challenges we face?
- Emphasis on Skills and Values for Citizenship Education
 - Skills and values are explicitly articulated to give emphasis to the development of a holistic student, well-equipped to play the role of an informed, concerned and participative citizen.

improved

Example of Digital Book

Example of Image Card

Assessment Modes

Teachers will monitor students' progress through teaching and learning in the classroom.

Non-weighted assessments will be utilised to support students' learning, gauge their progress and address learning gaps.

Written tasks and oral presentations serve as checkpoints to allow teachers to gather information about students' learning.

Level-Specific Programme Highlights

- Field based Learning Journey to NeWater which includes a Raingarden Workshop
